RELIANT  TRAVEL

MOTORCOACH TRANSPORTATION SPECIALISTS

Reliant Travel, established in 2003, began with 3 motorcoaches, since then, our fleet has grown to over 15, making us one of the largest motorcoach operators in the Bay Area. Our management team has over 50 years of combined experience in motorcoach transportation operations. Since our inception, Reliant Travel has safely and comfortably transported over one-million guests to different destinations.

We'll Take You There

From luxury charters to reliable daily route work, we can accommodate any of your motorcoach transportation needs. Whether your group is traveling within the Bay Area, or cross country, Reliant Travel can take you there.

Dedicated to Safety

We have taken every precaution to ensure our guests have a safe and enjoyable trip each time they board a Reliant Travel motorcoach. Our indoor facility and staff of highly trained maintenance technicians are dedicated to the safety and well-being of our guests. All of our motorcoaches are subjected to regularly scheduled, thorough inspections under guidelines established by the Federal Highway Administration, California Highway Patrol and Public Utilities Commission. We conduct thorough driver background checks and provide our drivers with ongoing safety training programs.

Safety Measures Include:

- Indoor maintenance facility
- Highly trained maintenance technicians
- Thorough driver background checks
- Driver safety training programs
- 24/7 dispatch service for instant communications between drivers, management and guests
- \$10 million liability insurance policy, twice the amount required by state and federal agencies
